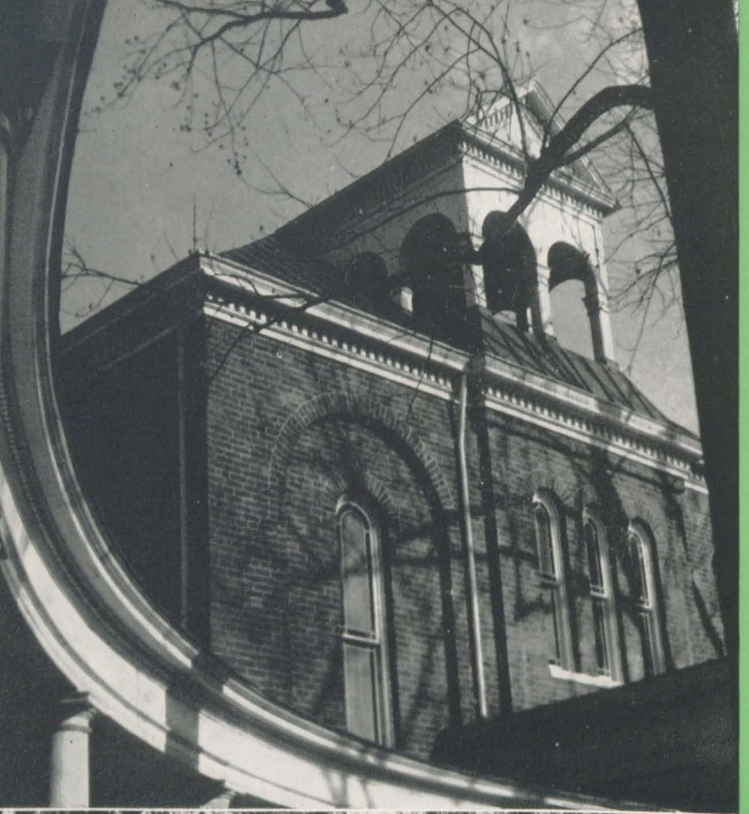
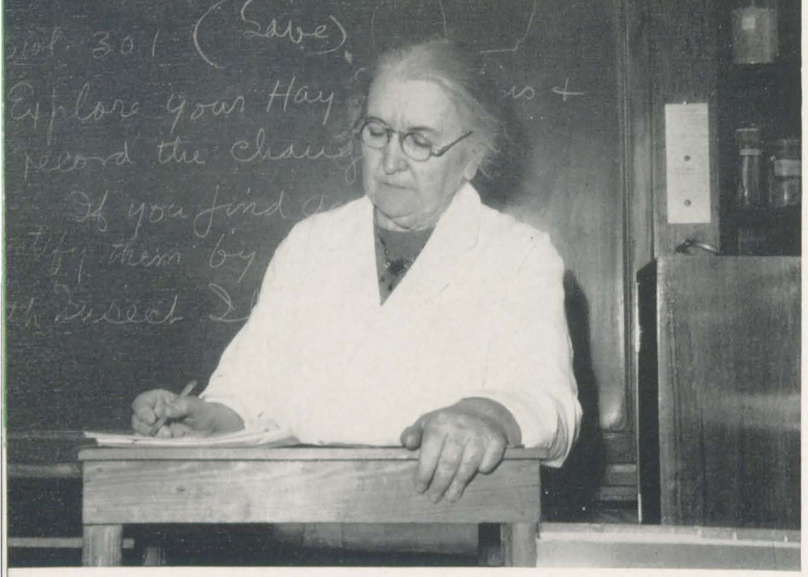
OF HOLLINS COLLEGE, VIRGINIA



HOLLINS, TEMPLE OF OUR HEARTS"

As SENIORS, we have gradually come to recognize in the music of Hollins one of the most cherished traditions that we have known here. Singing songs of friendship, we are joined in an intimate feeling of class unity. Singing songs of praise to Hollins, we are newly conscious of the beauty and wisdom around us every day. Whether we are on the mountainside or in the quadrangle, if we are together, we sing. And, in future years, these songs will always bring the spirit of Hollins close to us again.



In appreciation of her four years' friendship for our class, and in recognition of her long service at Hollins, we, the Seniors, dedicate the 1946 SPINSTER to our beloved sponsor, Miss Ida Sitler.

"THO' BRIEF OUR PATH BEFORE US LIES, WE KNOW THAT HOLLINS MAKES US WISE."

Student Government at Hollins, founded upon the principles of honor, self-reliance, and individual integrity, is educational in the practice of democratic living. Through Executive Council, composed of popularly nominated and elected representatives and officers, the students have a voice and an opportunity to assume their share of the responsibility in all campus activities. Because it is the privilege of each Hollins girl to contribute to the growth of this government, the council has wished each girl to feel that her discussion, constructive criticism, and suggestions are both helpful and necessary. It was, therefore, one of the council's primary aims this year to foster this feeling. Other aims were to extend and to spread responsibility through additional representatives to House Board, to review the recording and election systems, and to institute a system of popular nominations for all class and student government offices.

Joint Legislative Committee is the branch of the Student Government which considers petitions from the faculty, administration, and student groups. If passed by the committee and approved by President Randolph, new laws are drafted into the body of student regulations. Both faculty and students compose the membership of this committee. This year the chief concern of Joint Legislative Committee was to recheck existing regulations in order to determine their suitability for continuance under postwar conditions.

At Hollins the Judicial branch of Student Government is divided into two councils, the higher court being the Honor Court. This court is composed of a chairman and representatives from each of the four classes. All members of Honor Court are nominated and elected by the student body.

Honor Court has original jurisdiction over the academic rules and the regulations concerning drinking, smoking, places of recreation, driving, dean's slips, overnight absences and the rules regarding Lexington, Charlottesville, and Blacksburg. Honor Court also decides cases referred to it by House Board. After considering a particular case, Honor Court issues a penalty in keeping with the circumstances involved.

CARMEN PETTUS ..... *House President of West*

The jurisdiction of House Board extends over cases arising from violations which do not come under the jurisdiction of Honor Court. The purpose of House Board is to consider these cases, to administer comparatively set penalties, and to refer to Honor Court cases of serious or chronic offenders.

This year, House Board added rotating delegates, elected from each dormitory, to serve as ex officio members for the period of three months. This innovation was put into effect in order to make more students familiar with the functioning of the Board.

Freya is both an organization and an ideal. As a student organization, it chooses to membership those girls who seem to be guided in all they do by a spirit of love for Hollins and by a sincere aspiration for creative living. As an ideal, Freya embodies the highest aims of Hollins life, and serves as a challenge to every girl to strive for inner beauty.

In retaining the heritage of the legend of Freya, the Norse goddess of happiness, spring, and true beauty, the members present each year the traditional May Day celebration.

The Y. W. C. A. is an organization which has at its center the Christian faith. Its goal is to bring this faith into all areas of personal, campus and community life through a constant interplay of worship, study and action. As a member of the Y. W. C. A. of the United States of America and of the World Student Christian Federation, the Y. W. C. A. at Hollins has for its purpose the realization of a full and creative life through a growing knowledge of God. The volunteer membership of approximately 180 students is divided into five committees: religious activities, community service, campus activities, membership, and publicity.

For the past three years, each SPINSTER has been stripped to its bare essentials so that it might be as inexpensive as possible. Although peace had been declared by last fall, the 1946 staff set out with the limited wartime budget. By securing an additional appropriation and by selling old plates, however, it was finally able to begin the restoration of the annual to its former elegance. In further adherence to prewar tradition, the 1946 SPINSTERS were delivered in May.

This year the staff endeavored to make *Hollins Columns* an up-to-date paper, both journalistically and artistically, by a change in paper texture, by the use of more photographs of student activity, by a closer cooperation with the faculty, administration, and student organizations, and by a serious and intensified program to improve the standards of composition.

The Turner Hall Committee was created for the purpose of raising funds for the erection of a new dormitory in honor of Mr. Joseph A. Turner and his sister, Mrs. Lelia Turner Rath. After four years of relative inactivity because of the war, the Turner Hall Committee this year again took an active part on and off campus in carrying on this project. The enthusiastic cooperation of the student body and friends of the college marked this year as a turning point in the history of Hollins. It was the first phase in the proposed expansion program, and will serve as a foundation on which the future generations of Hollins students can depend.

The Hollins Chapel Choir, under the direction of Arthur S. Talmadge, is composed of forty members who are admitted by examination only. Miss Constance Wardle directed the choir this fall due to Mr. Talmadge's illness. The choir rehearses three times weekly and sings at all Sunday night chapel services. Musical programs presented by the choir are the Christmas White Gift Service, the Thanksgiving and Easter services, as well as those for other special occasions on campus. This year, the choir presented a program in Roanoke under the sponsorship of the Thursday Morning Music Club, sang for several churches, and for the Veterans Facility in Salem.

The Athletic Board, in cooperation with the other organizations, therefore, aided in keeping everyone entertained as well as "physically fit."
